The company's Representative at the Estate will ONLY be given authority to hand the keys to the Purchaser when the whole of the balance due has been received by us. If it is intended to make payment by way of a Telegraphic Transfer it has become quite apparent to the Vendor Company that this procedure for transmitting is taking a considerable period of time to process through all the respective Banks. We therefore take this opportunity in reminding purchasers Solicitors that under no circumstances will keys be released to Purchasers on site until such time that the Company have been notified by ITS BANKERS that the balance of purchase monies has been received and credited to its account.
